

DRUG & ALCOHOL COUNCIL FOR SAFE ALBERTA WORKPLACES

“HOW TO” Stay connected with DACSAW up-to-date, online!

ALL LINKS TO FACEBOOK, LINKEDIN & TWITTER PAGES THROUGH HOMEPAGE → DACSAW.COM

Find us on
Linked 

Over 100 million professionals use → “LinkedIn”

- Click logo link from dacsaw.com or go to linkedin.com and make an account by submitting basic information and verifying your account via email.
- Begin by selecting the “companies” search by clicking it on the downward arrow. Following, type ‘DACSAW’ in the search and clicking the company link which directs you to the home page.
- Next, click “Follow” for access to full information of the company, contacts, overview, services (conference updates & info), and analytics.
- You can recommend, share, ‘like’ or comment on posts by simply clicking the tabs.
- The profile is also linked to the twitter feed which is posted simultaneously.

 Find us on
Facebook

#1 in Social Networking → “Facebook”

- If you are new to Facebook, first type in your general information and activate your account via email verification. After, sign in and type DACSAW in the main search and click the link.
- Next, Click “Like” on the DACSAW page and you will automatically become a member and have access to DACSAW information (description, mission, email, website, etc.).
- You may post on the wall, talk with other members and see upcoming conferences info & news via the “Events” tab.
- You can also comment or “Like” posts on the “Wall” which will also show up in your news feed.
- Be sure to click the “Share” tab on the left hand side to direct your contacts to the DACSAW page.

follow us on
twitter

Quick & Easy → “Twitter”

- Signing up for Twitter is quick & easy, click the link from dacsaw.com or go to twitter.com then type in your name & email.
- Follow by verifying your email similar to the previous verification approval methods.
- Next, type in DACSAW in the search, if the link for the page does not come up in the main feed, look to the right and click the DACSAW name to be directed to the page.
- Make sure you click follow so you have access to browse through information and be updated with “tweets” on your homepage.
- You are able to click “Favorite” or “Reply” on tweets in the news feed, and also ‘tweet’ yourself from your homepage.
